"The Unit" is a gripping exploration of a society in the throes of an experiment, in which the "dispensable" people--those in their 60s, childless, or unemployed--are convinced of the importance of sacrificing for the "necessary" ones.

## Artemis

By [Weir, Andy](#)

2017-11 - Ballantine Books

9780553448122

The bestselling author of *The Martian* returns with an irresistible new near-future thriller--a heist story set on the moon.

Jasmine Bashara never signed up to be a hero. She just wanted to get rich.

Not crazy, eccentric-billionaire rich, like many of the visitors to her hometown of Artemis, humanity's first and only lunar colony.
